MARKING OF IMPORTED GOODS

The Governor-in-Council may from time to time order imported goods to be marked so as to indicate the country of origin.

Under this provision, the following classes of goods imported into Canada, shall be thus marked or labelled in legible English or French words, and such markings shall be as nearly indelible or permanent as possible, viz:—

Printed or lithographed matter of all kinds, including books and pictures.

Seals, tickets or labels, irrespective of dimensions when imported in packages or coverings or in strips, sheets or rolls, in quantities in excess of 100 units are subject to the general marking regulations and each seal, ticket or label is required to be marked.

Seals, tickets or labels, exceeding one inch in their greatest dimension whether imported in packages or in strips, sheets or rolls, perforated or otherwise prepared for ready separation into single units, or intended to be used in such single units, must be marked with a satisfactory indication of the country of origin on each single unit. The above when not exceeding one inch, when imported in packages containing not more than 100 each, or in strips or rolls of not more than 100 units, may be marked with a satisfactory indication of the country of origin on the first package or on each strip or roll.

Decalcomania or dry transfers, not including ceramic or enamel transfer, are required to be marked with an indication of the country of origin as printed or lithographed matter. Such marking may be affixed on the back or carrier portion thereof, or on each sheet or roll, in the case of dry transfers, on the package in which such transfers are contained, when marking on the sheet or roll is impracticable.

Decalcomania transfers, imported for advertising and display, will be required to be marked with an indication of the country of origin on the face thereof as heretofore; marking on the back or carrier portion will not be accepted.

Decalcomania transfers known as toy transfers may be marked on each sheet, each book or package.

Imported ceramic or enamel transfers are not required to be marked with an indication of the country of origin.

Blind embossed or die stamped indication of the country of origin on printed or lithographed matter imported into Canada will be acceptable as satisfactory provided the marking otherwise complies with the requirements, particularly as to location, legibility, permanency and wording.

Ordinary printed or lithographed paper or other coverings, wrappers or containers, used merely to cover or contain shipments of goods consigned to Canada, are not required to be marked with an indication of the country of origin.

Printed or lithographed containers imported to contain goods for export, and printed or lithographed labels, stickers or wrappers, imported to be attached to goods manufactured or produced in Canada for export trade, may be exempted from the provisions of Section 16 of the Customs Tariff Act, provided the

importer signs a certificate on the face of each entry as follows:

"The containers, labels, stickers or wrappers, described on this entry are imported bona fide by the undersigned to contain or to be attached to goods for export, and will be exported with such goods."

Imported containers, labels or wrappers, printed or lithographed, intended to be filled with or used upon domestic products may be marked in such a manner as to indicate the origin of the goods in their condition as imported, for example: "Label printed by John Jones, New York," thereby avoiding an improper imputation of origin in respect of the Canadian manufactured goods with which such imported containers, labels or wrappers are used.

Printed or lithographed matter, imported in single copies, unbound, for the use of the importer and not for sale, for religious, philosophical, educational, scientific or literary purposes, or for the encouragement of the fine arts, may be delivered without being marked with an indication of the country of origin.

Books may be marked on the inside or outside of the front or back cover, the first or last page, or the title page.

Writing, marking or drawing pencils of all kinds pen holders of wood, and fountain pens.

Blind embossed or die-stamped indications of the country of origin on wooden or fibre lead pencils and penholders will only be accepted (1) on plain unpainted pencils and penholders without any other lettering thereon, when legible (2) on plain painted pencils and penholders without lettering thereon, when the combination of colours used in the die-stamping and on the pencil or penholder does not result in an indistinct or illegible indication, and (3) on pencils and penholders with lettering or other printed matter thereon, when the indication appears on the pencil or penholder in the same coloured lettering as the other printed matter. The indication on pencils must not be within one inch of an end which is or may be pointed.

Crayons or chalk, covered with wood, paper or other covering as a holder or for protection, are each required to be marked. Uncovered crayons or chalk may be marked on the first or immediate container.

Fountain pens, and pencils other than wooden or fibre lead pencils, may be marked with blind embossed or die-stamped indications of the country of origin in accordance with the general regulations, provided such marking otherwise complies with the requirements, particularly as to legibility, location, permanence and wording.

Empty paper or paper board folding or set up boxes or cartons, and empty plain or corrugated fibre or fibre board boxes, for use as containers.

Toilet paper in rolls or interfold packages.

Brushes of all kinds.

Tooth brushes and tooth brush handles.

Razor blades (safety type)

Razor blades may be marked by means of etching or die stamping.

Pen knives, jack knives, and pocket knives of all kinds; scissors and shears.

Boots, shoes and slippers.

Boots, shoes and slippers may be marked on one or both of each pair

Ladies purses, in the form of handbags, not including bags made of beads, metal mesh or of a similar nature.

Artists' paint brushes.

Paper envelopes.

Paper envelopes are required to be marked on each envelope when imported in individual boxes containing more than 100 envelopes

Envelopes in quantities of 100 or less with country of origin showing on the box or wrapper may be regarded as satisfactory.

Greeting cards imported in boxes or packages with envelopes in equal quantity to match, each greeting card shall be satisfactorily marked, envelopes not required to show the indication of country of origin.

Chinaware and porcelainware (not including sanitary or toiletware), decorated or undecorated, as follows:

- (i) articles commonly used in connection with the serving of food or drink; or intended or designed for household use for ornamental or decorative purposes;
- (ii) kitchenware and utensils;
- (iii) heraldic and souvenir ware.

Chinaware and porcelainware must be marked on each piece, except in instances where a lid or cover accompanies a pot, bowl or dish, in which case the lid or cover need not be marked where the pot, bowl or dish itself bears an indication of the country of origin.

An indication of the country of origin will not be accepted as complying with the requirements as to permanency if, although otherwise satisfactory, the marking has been accomplished by means of painting or stamping after the articles have been kiln-fired in the process of manufacture.

With respect to chinaware and porcelainware, the Department will accept the name of the country alone as a satisfactory indication of the country of origin, and will also accept the name of the manufacturing or producing firm accompanied by the country of origin, without the inclusion of the city or province in that country in which the manufacturer or producer is located. In the case of chinaware and porcelainware, the words "Made in," "Produced in," or words of similar import are not required.

(See also paragraph commencing "Any goods," etc., under "Prohibited Goods," p. 784.)

Articles wholly of porcelain for electrical use

Articles of porcelain made for the purpose of being united with other materials so as to form a composite article, as well as small porcelain beads used by electricians, may be marked on the first covering or container in which imported.

The indication of the country of origin must be moulded or impressed in, or indelibly printed on, each tile, except ceramic mosaic tiles mounted on paper which may be marked by being indelibly printed on each square foot of paper to which the tiles are affixed.

Packages containing fresh fruit, vegetables or honey are required to be marked with a label or stencil of suitable size in proportion to size of the packages. In the case of bags; stencilled, printed, interwoven or a suitable tag attached.

Vacuum bottles, carafes, flasks, jugs, jars and other thermostatic containers and refills or inserts for use therewith.

REGULATIONS

- (a) When such vacuum bottles or other containers are being imported in the form of complete articles, the marking shall be accomplished by means of die stamping or other indelible impression on the metal or other container.
- (b) In the case of refills or inserts imported separately, the marking shall be accomplished by etching with acid or indelible printing.

DRAWBACK ON GOODS IMPORTED INTO CANADA AND EXPORTED THEREFROM

When imported goods on which duties and/or taxes have been paid are exported from Canada, there may, subject to the following conditions, be allowed a drawback of ninety-nine per cent of the duties and/or taxes paid thereon:—

- The drawback shall be paid to exporter of the goods.

2. Whole packages of goods as imported may be broken and part only thereof exported, but no use shall have been made in Canada of the goods

exported;

3. The quantity and identification of such goods imported and exported and the amount of duties and/or taxes paid thereon shall be ascertained;

4. Claims for drawback submitted on and after September, 1, 1946, shall not cover goods exported for a period of more than twelve consecutive months and must be filed with the Collector and complete evidence attached thereto within a period of six months from the date of the last export entry

Such drawback claims shall not be paid unless the duties and/or taxes have been paid on the goods within three years of the date of exportation thereof, nor unless the entered value for duty of the goods exported, on which claim is made, is in the aggregate more than fifty dollars;

5. Nothing in these regulations shall be deemed to alter or amend the law, or to affect any discretion vested in the Minister with respect to the payment or non-payment of drawbacks, and the Minister shall be the sole judge as to whether any claim for drawback shall be paid in whole or in part.

6. Upon the exportation of goods entitled to drawback, export entries, in triplicate, in the usual form (with the words "subject to Drawback" marked on the face), shall be filed with the Collector at the port of exit from Canada, naming the conveyance by which and the country or place to which the goods are to be exported and fully describing the kind and quantity thereof and also the marks and numbers

(c) A copy of the export entry, duly numbered and certified by the Collector at the port of exit where the goods were entered for exportation from Canada;

- (2) Invoice must have certificate as to origin of goods.
- (3) Goods must be packed separately or not mixed up with other goods.
- (4) Goods must come direct or have a through bill of lading.

Cash discounts are not allowed for Customs purposes. The terms of the cash discount should be shown on the invoice but deduction of the amount, and without evidence that the discount has been earned, dumping duty will apply.

Cattle for exhibition purposes over six months old entering Canada from the United States must have a veterinary certificate signed by a veterinary inspector of the United States Bureau of Animal Industry, stating that they have passed the tubercular test within the last six months, also an affidavit from the importer identifying the cattle entered. The importer is required to furnish a bond for security equal to the full value of the animals and articles entered, conditional upon the due exportation of the same, or the delivery to the Customs Collector the proper manifests for the transportation of the animals and articles in bond, or the payment of duty thereon, within three months from time of entry.

Coal and Coke. All persons dealing in coal and coke are required to secure license from the Wartime Prices and Trade Board, Ottawa.

Deer, in the carcass or parts thereof, when shot for sport, under provincial or territorial authority in Canada, by any person not domiciled in Canada, may be exported at the customs ports of Halifax, Yarmouth, McAdam Junction, Saint John, N.B., St. Stephen, Montreal, Quebec, Sherbrooke, Beebe Junction, St. Armand, Fort Erie, Brockville, Kingston, Ottawa, Port Arthur, Prescott, Niagara Falls, Sarnia, Sault Ste. An export entry in duplicate is required in respect of deer in the carcass or parts thereof shot under provincial or territorial authority and intended to be exported, and exportation may be permitted upon the exporter subscribing and attesting before a Collector of National Revenue or other officer of Customs a declaration to be annexed to said export entry.

In cases where a non-resident sportsman desires to leave Canada before the game arrives at a Customs Port of Exit, the Export Entry and declaration may be made by such sportsman and left with the Collector of National Revenue at the Port of Exit for use when the game arrives at the said port.

The exportation of deer in the carcass or parts thereof, being the property of a provincial government, may be permitted without the declaration provided in Section 4 hereof upon the Collector of National Revenue or other officer of Customs being furnished with a certificate signed by a duly authorized officer of the provincial government concerned to the effect that the deer or parts thereof proposed to be exported are the property of the provincial government.

Any person who wishes to export any carcass or parts thereof of deer raised or bred upon his own land, or upon lands owned by a Company or association of persons of which he is a member, shall make affidavit upon the face of

the export entry to the effect that the deer, the carcass or parts whereof is so entered for exportation, was raised or bred upon his own lands or upon lands owned or held by a company or association of persons of which he is a member (describing the location of such lands, and naming the association or company holding the same).

Where in any province or territory the right to sell deer in the carcass or parts thereof is prohibited or restricted, the same shall not be exported if sold in contravention of such law.

Dogs, pure bred. To obtain free entry the importer must produce a certificate of purity of blood signed by the breeder. He must also make an affidavit that the dogs imported are the identical animals described on the certificate.

Exports of Prohibited Goods. Transportation companies and others concerned are advised that, except when specially authorized, shipments may not go forward from interior points to the frontier ports of exit unless the required export license or permit accompanies the shipping document.

An alien, though a bona fide sportsman and hunter, passing through Canada having in his possession any revolver or pistol is required to have a permit.

Note—Automatic and semi-automatic pistols are prohibited importation.

Firearm Exports Prohibited. In respect of Arms, Ammunition, Implements or Munitions of war, may not be exported without Arms Export Permit issued by Foreign Exchange Control Board.

with such description as to be identified on return. Duty is to be paid on repairs, provided however, that the expense of compulsory repairs, rendered necessary as the result of an accident or other casualty, to enable the vehicle to continue the tour and return to Canada shall be exempt from duty and taxes.

Machinery and articles when exported for repairs may be re-admitted by payment of duty on the repairs, only if returned within one year, provided further that application was made for outward entry and examination at Customs at time of export; provided the repairs cannot be made in Canada.

For this purpose, the importer may deposit with the Collector of Customs a bond or money sufficient to pay the duty and taxes, and the required entry must be completed within ninety-six hours. When arrangements have been made to deliver goods on this basis, the importer must present his invoice to the proper Customs Officer at the point of arrival, for checking purposes, and must be sure entry is made within the ninety-six hour period, otherwise the arrangement may be cancelled and the deposit seized. Perishable goods are considered to be fruits, vegetables, fish and such like goods that are subject to decay. Similar arrangements can be made for the delivery of newspapers and periodicals.

It will then be up to the railway to produce a short landing certificate from the ocean carriers if the goods are from overseas, or a proof that the goods were lost or destroyed beyond the confines of Canada. When this proof is produced it must be attached to the refund claim.

Samples, Travellers'—(1) Imported samples (not Canadian produce or manufacture) such as are carried by commercial travellers intended solely for use in taking orders for similar merchandise and not for sale, together with the trunks and other packages containing same (except when of "no commercial value") are subject to ordinary duty and taxes at each time of importation, but not to special duty in addition thereto; provided, however, that the trunks in which samples are contained may be admitted free after payment of duty and taxes on first importation, if identified to the satisfaction of the Customs Officer.

- (2) Commercial travellers are required to deliver to the Customs Officer for entry purposes a properly certified invoice or a statement in detail, showing the price (wholesale) of each sample as sold for home consumption.
- (3) Cards, portfolios, pasteboard boxes or other coverings containing articles obviously for use only as samples to sell by and having no commercial value, may be admitted free of duty and taxes.

The importer shall make and subscribe to a declaration on the face of the temporary entry that the goods described therein are bona fide samples for use only in taking orders for merchandise and are to be exported within twelve months.

When the samples are marked by a Customs Officer for identification and the temporary entry duly completed, the Collector may issue his permission for the release of the samples upon receiving the required deposit from the importer.

If all of the samples are not exported a deduction shall be made from the deposit equivalent to the duty and taxes payable on the samples not exported.

Samples admitted to temporary entry on deposit under the special regulations respecting samples from British and Most Favoured Nation Countries may be taken to the United States by the traveller and returned to Canada merely upon report at Customs at any time within twelve months from the date of the temporary entry. On their return the samples may be admitted without entry if, upon being checked by a Customs Officer against the copy of the temporary entry and invoice in possession of the traveller, the officer is satisfied that the samples are those referred to in such temporary entry.

CUSTOMS PROCEDURE, ETC.

EXPORTING TO THE UNITED STATES

The customs laws of the United States, governing the importation of goods, very materially differ from ours. They have no such thing as the manifesting system such as we have, and all merchandise is supposed to be entered at the first port of arrival. However, they have ports termed I.T. Ports (immediate transport ports) to which goods may be forwarded in bond, without appraisal at the frontier port. In this case the goods must be carefully marked "Forwarded in Bond."

Merchandise, in order to be entered under Immediate Transportation, without appraisal at the frontier, must be destined to a designated immediate transportation port, and *must* be billed via a port at which merchandise may be entered for transportation to another port without appraisal.

These ports *through which* goods must be billed and *to which* they must be consigned may be learned from the transportation company as the lists are too extensive to be given space here.

If goods are destined for a foreign country they are entirely under Transportation and Exportation entry in bond, in transit, for exportation from the seaboard port.

EXPORTING TO OTHER COUNTRIES

Exporters requiring information regarding invoice forms and Customs Regulations of other countries, applying to goods exported from Canada, should write to Department of Trade and Commerce, Ottawa.

GIFTS TO THOSE ON ACTIVE SERVICE

To be exported as gifts, addressed to members of the armed forces of the British Empire or their Allies, do not require a permit to export.

GOODS TO BE RETURNED TO THE U.S.

Merchants finding it necessary to return goods not according to order and wishing to obtain refund of duty will be required to make out four different forms to accompany the way bill when goods are shipped back. If shipment is over \$100.00 the forms are as follow:

1. "Foreign Owner's Oath" or "Oath of American Manufacture."

2. American Consular Certificate.

3. Export papers in triplicate.

4. One certified copy of Customs Incoming Manifest.

F.E.C.B. export permit—5 copies.

Where shipment is under \$100.00 the American Consular Certificate and Incoming Manifest are not required.

The intending consignee must send to the U.S. shipper for an affidavit on a prescribed form, mentioned above as the Oath of American Manufacture, declaring the goods to be of United States origin or manufacture, in order that the goods when returned may pass the U.S. Customs without duty.

When this affidavit is received it must be attached to the way bill by the transportation agent here and forwarded along with the goods. This will enable the United States Customs Officer at the frontier to recognize the goods as home manufacture and have them forwarded on to destination without duty. The original U.S. shipper may secure these forms at his Customs, but a better way is for the intending consignee to secure a copy from the local express agent here and forward same to the U.S. firm with all necessary explanation as to line of procedure and thus avoid possible delay.

The American Consular Certificate forms must be obtained from the nearest American Consul, who will send blank forms in triplicate. These must be filled in as required and returned to the American Consul with his fee, when he will return one copy to the intending consignee, who will attach same to way bill with other documents mentioned.

Export entry, procurable from Customs Department, must be made out by consignee in triplicate and attached to way bill together with the Foreign Owner's Oath, Consular Certificate and Incoming Manifest. One copy will remain on file at the port of exit, the second copy goes to the Customs Department and the third copy will be returned by the Customs officer at the Canadian port of exit to the merchant who returned the goods. He will then attach it to the refund of duty claim along with a

copy of the way bill as a guarantee that the goods have been returned.

Goods must be in Customs custody within six months of date of importation.

CURRENCY CERTIFICATE OF INVOICE

Importers should, when ordering goods from Britain or any foreign country, instruct the exporter or salesman to always give the value of the goods in the home consumption column of the invoice and to show the same in the currency of the country of export.

Internal taxes should be definitely stated.

The exporter should also be very carefully instructed to place on the invoice the currency certificate.

In respect of invoices of goods from Great Britain or from any country where the currency has not substantially depreciated, the certificate of the exporter, showing the relative value of the paper currency in standard currency is accepted.

In other cases where the currency has substantially depreciated, there must be furnished a certificate, signed by a Consul or a Canada Trade Commissioner, or of a Bank, in the following form:—

CERTIFICATE OF CONSUL

Date.....

I certify that at the date of exportation of the goods described in the within or annexed invoice, the true value of the currency, in which the invoice is made out, as compared with the standard dollar of Canada, is at the rate of.....

(Dollars and Cents)

per.....
(Here give the unit of currency of Invoice).

Signed.....

GOODS SHORT LANDED

In the case of goods duty paid and short received, delivery of same upon subsequent arrival can be obtained, without payment of duty anew, only when the following regulations are observed:—

(a) Notice of the short receipt of goods must be given to the collector in writing within thirty days of entry.

(b) If the goods have been omitted from the shipment, a declaration to that effect must be produced from the exporter.

(c) If a portion of the consignment has been delayed in transit by the carriers, a declaration to this effect will be required from the latter.

(d) No portion of a consignment of goods, duty-paid, in respect of which a short shipment occurs, is to be disposed of by the importer until the appraiser has had an opportunity of checking over the goods.

SETTLERS' EFFECTS ENTRY

Settlers' effects are admitted duty free, if actually owned abroad by the settler for at least six months before his removal to Canada, and subject to regulations prescribed by the Minister.

Provided that any dutiable article entered as settlers' effects may not be so entered unless brought by the settler on his first arrival, and shall not be sold or otherwise disposed of without payment of duty until after twelve months' actual use in Canada.

Settlers' effects, viz:—Machines and implements for agricultural purposes, moved by mechanical power, and motor vehicles valued at not more than \$1500 and boats for fishing purposes, if actually owned abroad by the settler for at least six months before his removal to Canada, are free subject to regulations prescribed by the Minister of National Revenue.

Provided that in respect to motor vehicles valued in excess of \$1500 duty shall be payable only on the amount in excess of \$1500.

Provided further that the said machines, vehicles, implements and boats may not be so entered unless brought by the settler on his first arrival, and shall not be sold or otherwise disposed of without payment of duty until after twelve months' actual use in Canada.

AUTOMOBILES IMPORTED BY NON-RESIDENTS FOR PLEASURE PURPOSES ONLY

1. Automobiles imported by non-residents for their personal transportation may be admitted without the payment of duty thereon, under Traveller's Vehicle Permit (Form E. 50) subject to the following regulations:

On arrival at the frontier Customs port of

entry, the driver of the automobile shall report at Customs and apply for a permit. The applicant for a permit shall be a non-resident of Canada and a temporary visitor therein. He or she shall be the owner of the automobile, or a member of the immediate family of the owner, who is also a non-resident of Canada, or shall be able to produce written authority from the owner to use such vehicle.

The automobile shall be admissible only when imported for the use of the non-resident permit holder, for the transportation of such non-resident, his family and guests, and such incidental carriage of articles as may be necessary and appropriate to the purposes of the journey, but not to be used for the transportation of persons or articles for hire, nor in any case primarily for the carriage of articles. The use by any other person than the non-resident permit holder shall result in seizure and forfeiture of the vehicle.

No fee is to be collected for Customs attendance at any time in connection with the entry of travellers' automobiles.

2. *Temporary Admission, forty-eight Hours, at Ports and Outports on the Frontier Only*—In respect of automobiles entering Canada for a stay not exceeding forty-eight hours, when the Collector or Sub-Collector is satisfied that conditions of subsections (a) and (b) of Section 1 are complied with, he is authorized to permit entry upon the owner surrendering his State license card, which will be returned to him on the return journey. In such cases, the use of Form E. 50 may be dispensed with.

3. *Traveller's vehicle Permits for a Period not Exceeding Sixty Days*—In respect of automobiles entering Canada for a period not exceeding sixty days, the Collector, if satisfied that the conditions stipulated in sub-sections (a) and (b) of Section 1 are complied with, may admit the vehicle without formal entry and may issue a permit on Form E. 50 for a period not exceeding sixty days.

(a) Should a traveller who has been granted a sixty-day permit desire an extension for a further period up to six months from the time of original entry, he may, upon presentation of the permit before the expiry date of same, apply for such extension to any Collector or Sub-Collector of Customs and Excise, who, upon being satisfied as to the bona fides of the use of the automobile may issue a new Form E50 and retain the expired permit for cancellation.

4. *Traveller's vehicle Permits for a Period in Excess of Sixty Days*—If, on reporting at the Customs frontier port of arrival, the non-resident owner of an automobile desires a traveller's vehicle permit for a period in excess of sixty days, the Collector, if satisfied that the conditions stipulated in sub-sections (a) and (b) of Section 1 are complied with, may admit the vehicle without formal entry and may issue a permit on Form E. 50 for the period designated by the traveller, such period, however, in the first instance, not to exceed six months.

If, through accident, illness or other unusual circumstances, the exportation of the vehicle at the expiration of six months from the date of the original entry cannot be effected, the matter shall be reported to the Deputy Minister of National Revenue for Customs and Excise, Ottawa, who, if satisfied as to the bona fides of the application, may authorize the extension of the traveller's vehicle permit for such additional period of time as may be necessary, and may specify the conditions under which such extension may be granted, and with what security.

COMMERCIAL VEHICLES

5. *Carrying Passengers Only*.—Automobiles, motor trucks and other motor vehicles may enter Canada and return to the United States without payment of duty on such vehicles when employed in conveying passengers in transit across the frontier, provided they are employed only for through transportation of passengers (either or both ways) between a point or place in the United States and a point or place in Canada. After a careful examination and appraisal has been made of such vehicles to enable the Customs officer to identify them on leaving the Dominion. Commercial Vehicle Permit (Form E. 50-B) shall be issued by the Collector or Sub-Collector on his being furnished with:

(a) a cash deposit equivalent to the duty and taxes payable on the automobile, or

(b) a bond of an approved guarantee company on Form D-3½, or

(c) the special bond of an approved guarantee company on Form D-3-A.

On exportation of the vehicle under Customs supervision within a period of thirty days, the cash deposit shall be subject to refund or the bond to cancellation. In default of proof of such exportation within thirty days, the cash deposit shall be taken to account as Customs duty and taxes, and the provisions of the bond enforced.

6. *Carrying Goods.*—Automobiles, motor trucks and other highway vehicles carrying goods (dutyable or not) for delivery to a point in Canada may be admitted under Commercial Vehicle Permit (Form E. 50-B), under the provisions of Section 5 above if proceeding to an interior port with a load (and under the same Section but without requiring a bond if the goods imported thereby are intended for delivery within the limits of the frontier port of arrival, provided the Collector is satisfied that security is not required), subject to due entry at Customs at the frontier port of arrival of all goods to be discharged in Canada, and the payment of all duties and taxes to which such goods may be liable, failing which, they must be forwarded in bond under manifest by railway to the port of destination. Provided, however, that goods arriving by highway vehicles entitled to entry on Form B 4 or B 4½ as settler's effects, and goods for bona fide exhibitions, or horses for racing purposes eligible for entry on Form B. 18, may be allowed to proceed to interior destinations under Commercial Vehicle Permit for the vehicle, and manifest Form A-8 for the goods, without convoy; the same privilege may be granted in respect of articles for special use, and horses for breeding purposes, if the report and deposit required under Memo D No. 23 (Revised 1942) and No. 5 respectively, are not made at the frontier, in which case the report, and deposit (if any) shall be made at the port of destination.

(a) The exemption from duty prescribed in these Regulations shall not apply to vehicles used by peddlers with goods for sale, in which case duty and taxes are to be collected, having due regard to the provisions of Tariff Item 1215.

(b) The term "local traffic" used in this Regulation, and in the bond forms established in connection therewith, and the term "through transportation" shall not be held to prevent motor vehicles of foreign origin and not duty paid brought in by non-residents of Canada and Used in the *International Conveyance of Passengers*—from, (i) discharging passengers at different points in Canada on the inward trip, provided such passengers are destined through direct from the point of embarkation to the point of discharge, or (ii) taking on passengers at different points in this country on the outward journey, provided the passengers so laden are destined through direct from the point of lading to a point in a foreign country; *This not to include the privilege of taking on passengers at one point in Canada and discharging such passengers of another point therein.*

7. *Arriving Empty to Obtain Load for Export at Frontier or Inland Port.*—Automobiles or motor vehicles of foreign origin and not duty paid, being driven into Canada to obtain a load for export, may be admitted under the provisions of Section 6 if proceeding to an interior port for a load, and under the same Section but without requiring a bond if obtaining the load within the limits of the frontier port of arrival, provided the Collector is satisfied that security is not required. Export entries must be required in respect of all goods exported by motor vehicle.

8. Automobiles, trucks and other vehicles exported temporarily by residents of Canada.

(a) Automobiles, trucks and other vehicles of Canadian origin, or duty paid in Canada, whether travelling under their own power or transported by rail or ship, may be exported, temporarily, upon execution of Form E-60. This Form (which may be issued and verified at any Port in Canada) and the relative Provincial Motor Vehicle Permit, are required to be shown to Canadian Customs when departing from or returning to Canada. This means of identification permits the car and

equipment to be admitted without payment of duty and taxes, except upon the value of repairs and equipment acquired abroad, as noted in paragraph (b).

(b) If it became necessary, because of an accident, to have repairs made abroad in order to enable the vehicle to continue the tour and return under its own power, the compulsory repairs so made shall be exempt from duty and taxes provided that such exemption from duty and taxes shall not be allowed on repairs exceeding \$200 in value, except with the authority of the department. In cases where no accident to the vehicle has occurred, but tire casings or inner tubes, or both, have been replaced in the ordinary course, exemption from duty and taxes may be granted under this regulation on one tire casing and one inner tube only.

(c) If additional equipment is installed and when the Provincial Motor Vehicle Permit expires, a new Identification Form E-60 is required.

9. *Vehicles Carrying Two-way Radio Installations, or "Mobile Telephones"*—Pending international arrangements whereby the apparatus may be utilized in either country, vehicles equipped with mobile telephones may be permitted entry into Canada under Traveller's Vehicle Permits or Commercial Vehicle Permits as the case may be, provided the installations are secured by Customs seals in such a manner as to prevent operation in Canada. After the installation has been placed under seal and noted on the permit form, the vehicle will be allowed to proceed. On report outwards the seal will be removed by the Customs Officer. Should the seal be found to have been broken or removed, the vehicle will be subject to seizure.

10. *Carrying Goods in Transit Only.*—Highway vehicles may enter Canada without payment of duty on such vehicles and return to the United States when employed in conveying goods (dutyable or not) in transit in bond through Canada from one point or points in the United States to another point or points therein, under the following regulations:

(a) Motor vehicle operators desiring to become bonded carriers as provided for in these regulations shall make application to the Department of National Revenue, Ottawa, for the privilege.

(b) Upon the application being approved, the applicant shall be required to submit to the Department the bond of a Guarantee Company acceptable to the Dominion Government in approved form as set forth in Appendix I hereof in a penal sum to be fixed by the Minister not to exceed \$80,000, the bond to remain in full force and effect for a period of twelve months unless revoked prior to expiration, and shall be subject to renewal thereafter annually with the approval of the Department.

11. *In Transit Movements by Highway Through the United States.*—Canadian highway vehicles may enter the United States and re-enter Canada without payment of duty on such vehicles when employed in conveying passengers and their baggage and/or merchandise in transit in bond through the United States from one point in Canada to another point therein under certain regulations.

For further regulations, Consult Collector of Customs at nearest port.

NON-RESIDENTS FOR PLEASURE PURPOSES AIRCRAFT IMPORTED TEMPORARILY BY

1. Advance notice of arrival:

(i) Prior to departure for Canada from a foreign airport, advance notice of date and approximate time of arrival shall be given to the proper officer of Customs.

(b) Advice to Customs officers as to time and place of first arrival at a Canadian Customs airport shall be forwarded by mail, telephone or telegraph. If considered advisable, the tourist may request the Canadian Customs officer to furnish a reply, which can then be carried into Canada by the pilot. The importance of this will be realized when one considers the possibility of overflying the intended airport or landing at another place by mistake, or making a forced landing, in all of which cases the reply from the Canadian Customs Officer will assist in establishing the bona fides of the tourist in making his report to Customs or the Royal Canadian Mounted Police,

as the case may be. Without such a telegram the tourist's presence at a place where no advance notice of his arrival had been received might render him subject to suspicion.

(c) Advance notice as referred to above will not be necessary if first landing is to be made at Dorval Airport, Montreal, P.Q., at which point 24-hour service is maintained.

2. Formalities on landing:

(a) First alighting of the aircraft shall be made at a Customs airport or airfield designated as such by the Department.

(b) On arrival, the owner or pilot of the aircraft shall report to the proper officer of Customs.

(c) Provided he is satisfied that the aircraft is being imported and will be used by a non-resident for purposes of health and pleasure only and not for trade or profit, the Customs officer may issue Permit Form C-15 for a period not exceeding 3 months.

(d) Should subsequent landings be made in Canada prior to final departure, no report at Customs is necessary provided the owner or pilot is in possession of a valid Form C-15. However, he shall produce the same to Customs or airport officials, or police authorities, on request, as evidence of his right to alight without report at Customs.

3. Formalities on departure:

The owner or pilot of the aircraft shall, prior to the final take-off for departure from Canada, which shall be made from a Customs Airport or Airfield designated as such by the Department, report to the proper officer of Customs and surrender Permit Form C-15

AIRCRAFT EXPORTED TEMPORARILY TO THE UNITED STATES, ALASKA AND NEWFOUNDLAND BY CANADIAN RESIDENTS FOR PLEASURE PURPOSES

4. In simplifying the requirements for the reporting of pleasure aircraft the Department has waived the necessity of the pilot (or tourist) furnishing written outwards and inwards reports in respect of aircraft under Canadian registry owned by residents of Canada and operated by them for purposes of private flying only and not for the transportation of goods or passengers for gain or hire. Departure must be made from, and the first landing on return must be made at, a Customs airport or airfield of entry and exit.

It is obvious that some means of identification of Canadian machines must be provided in order that the way may be open for their return without being liable to assessment of duty and taxes.

The Department has authorized a special identification form (Form E. 61) for this purpose. Particular attention should be paid to the fact as to whether or not the aircraft is supplied with heater, radio, etc. Note of the serial numbers of the tires, engine and propeller should be taken.

RETURNING RESIDENTS' EXEMPTION \$100

7. Under the provisions of the Customs Tariff, free entry is granted in respect of "goods valued at not more than one hundred dollars included in the baggage accompanying residents of Canada returning from abroad after an absence from Canada of not less than 48 hours and acquired by them for personal or household use or as souvenirs or gifts, but not bought on commission or as an accommodation for other persons or for sale, under regulations prescribed by the Minister, provided that a resident of Canada shall not be entitled to the exemption herein granted within a period of four months from the date of the last exemption allowed, nor shall the exemption be allowed on alcoholic beverages in excess of one quart, or on tobacco in excess of fifty cigars, two hundred cigarettes and two pounds of manufactured tobacco.

The following regulations have been prescribed by the Minister:

REGULATIONS GOVERNING TEMPORARY ADMISSION OF ARTICLES FOR SPECIAL USE

1. (a) The Department has authorized the use of Temporary Admission Report Form E-29, under which certain specified articles may be permitted entry without payment of duty and taxes. Provision is made on the Form for a computation of the amount of duty and taxes properly payable, and a cash deposit of an amount equal to that sum is to be supplied, unless otherwise stipulated. The E-29 must be surrendered by the holder and exportation must be made within six months from the date of entry (unless otherwise provided for), and any cash deposit which may have been furnished will then be subject to refund, otherwise it will be taken to account as duty and taxes. The goods must be identified by a Customs Officer prior to exportation.

(b) Although the furnishing of a deposit may be required by the regulations, any Collector of Customs may, in his discretion, waive its collection if the imported articles entered under Form E-29, are to be used within the limits of his own port, under such precautions or provisions as he may consider necessary to secure the due exportation thereof immediately after such use.

(e) Returning residents must state in their declaration in Canadian currency the price actually paid for all goods purchased abroad in respect of which exemption is claimed, and must state a fair market value for all goods obtained abroad other than by purchase, such as gifts. The purchase price or value stated is not necessarily the value for duty, but must be declared in order to assist the appraising officer in arriving at the correct value for duty. To facilitate appraisal invoices or sales slips should be presented where possible.

(f) If personal effects or goods taken abroad be advanced in value or improved in condition while abroad by reason of repairs or alterations further than that necessarily incidental to wear and use while abroad, the cost or value of such repairs or alterations is subject to duty. Such cost or value may, however, be included within the \$100 exemption.

(g) In cases where goods for which exemption is claimed have a combined value of over \$100, exemption is to be applied, where practicable, to the goods subject to the highest rates of duty.

CARTER'S
"Midnight"
 CARBON PAPER

Since its first appearance sixteen years ago, "MIDNIGHT" Carbon has become more and more popular, until to-day it is Canada's best-known quality carbon.

"MIDNIGHT" is the result of over fifty years' experience in the making of fine carbon paper. Perfect balance between tissue and coating mixture assures smooth performance under all conditions.

The "MIDNIGHT" line includes weights, colors and finishes for all typing requirements.

"MIDNIGHT" has all the qualities which discriminating users demand . . . Sharp Write . . . Cleanliness . . . Durability . . . Long Wear. But the quality which appeals to most secretaries and stenographers is "MIDNIGHT'S" complete freedom from curling.
